- a. Assurance Plan Results

One parent response but a lot of student responses. Low in 5 year completion rate but makes sense as we are an outreach school. Lots of excellent results (blue and green) Student engagement was high, citizenship is high, education quality is high, learning supports and safe and welcome schools are high. Diploma results lots of green (excellent results), this shows that we get through the curriculum and students and teachers are doing an excellent job moving forward

Final exam weighting grade 10 (10%), Grade 11 (15%), and Grade 12 Diplomas (20%), midterms have also been changed to not weigh more than the final. Possibility of these being raised back in future
